DISPATCH

iPhone / Android · Paired to Mac

Max plan · Pairs via QR code

DI

CoWork from your pocket.

USE WHEN

- Kick off CoWork tasks from your phone
- Monitor jobs running on your desktop
- Steer Claude mid-task while away
- Resume or redirect work on the go
- Stay in the loop without your desk
- Quick task direction on a commute

Your desktop does the work. Phone holds the wheel.

FOR POWER & MOBILE USERS

06

WEB

Any Browser · No Install Needed

Max plan · Beta rollout

WB

CoWork, anywhere.

USE WHEN

- CoWork tasks without the desktop app
- Access from any computer or browser
- File & tool tasks on the road
- Shared or managed devices
- Try CoWork before installing the app
- Collaborate from a non-Mac machine

Same CoWork engine — no install required.
